### **POOL POLICIES & INFO**

In an effort to protect the member experience at the club (specifically the pools), we have established a set of policies in order to ensure our members have top priority at these great amenities. As with any of our policies, we will continue to monitor the usage at the pools through this season and update the policies as needed in order to ensure a quality member experience.

### **POOL POLICIES & INFO (Continued)**

One of the top issues will be ensuring that we have only members and their accompanied guests at the pools. The best way for us to do that is to staff the pool with an attendant that will be asking you to register and present your membership card before using any of the swimming facilities. We are going to ask that you register all of your accompanied guests and pay appropriate guest fees (currently \$10.00 per person). These fees will be posted to your club bill. Neither cash or credit cards will be accepted for the guest fees at the pool. The fee is subject to change as determined by TCLS, at its sole discretion. NO ID CARD, NO SWIMMING.

### **POOL POLICIES & INFO (Continued)**

Unaccompanied guests will not be allowed at the pool. Please know this is designed to keep this space as a member-only experience. Unaccompanied guests will not be allowed to enter the pool area without

a member. Should your plans call for meeting a guest at the pool, they will be asked to wait outside the pool area until you (the member) arrives. Please note the accompanying member is required to remain at the pool with their registered guests.

We are going to ask that you fill out a Child Pool Registration Form for each child in the entire family who will be swimming at TCLS this summer. This will save time should we need to get assistance for you or your family in an emergency situation.

For safety reasons, children under the age of fourteen (14) will not be permitted to use the swimming pool facilities unless accompanied and supervised by an adult.

Children fourteen (14) years of age and older may swim at the pool unsupervised. Please understand we expect everyone to be respectful of their fellow members while swimming.

Use of the swimming pool facilities at TCLS is a swim at your own risk environment. Lifeguards may not be on duty at all times.

Swimming is permitted only during open hours of the pool and all posted rules must be followed. Current hours of operation are scheduled to be from 11:00 a.m. – 7:00 p.m. Tuesday through Thursday & Sunday and 11:00a – 9:00p, weather permitting.

Members and guests under the age of eighteen (18) are not permitted to use the deck area or swim in the adult only infinity pool at TCLS.

No exposed diapers are allowed. Non-toilet trained children must wear swim diapers with a tight-fitting swimsuit.

Running, noisy or hazardous activity will not be permitted in the swimming pool areas. Pushing, dunking, and dangerous games are not permitted. The Pool Staff has the authority to expel anyone from the pool area who does not follow the pool rules or conducts themselves in an unbecoming manner.

Music playing devices may only be used in the pool areas with earphones, except as allowed by TCLS, in its sole discretion.
